

YSC Policies*

- Please drop your child off **no more than 5 minutes** prior to class starting. This is to allow ample time between classes for clean-up and other preparations.
- Please make every attempt to pick up your child on time. I will do my best to make sure your child is ready when you arrive.
- Payment is due at the time services are rendered or can be made ahead of time. Payment may be made via cash, check or Venmo (@Terry-Tillman-6).
- Parents are invited to stay for their child's FIRST lesson. However, after this it is generally preferred that parents drop off their child for sewing, rather than stay in the classroom while class is being held.
- A 24-hour notice is expected if your child is unable to attend class. If **24-hour prior notice** is not given, you will be charged 50% of the cost of the missed lesson. An exception to the 24-hour policy is granted if your child is not feeling well, or if some other family sickness precludes your child coming to class. You will not be charged for any missed lesson if 24-hour notice is given OR if your child is sick and unable to attend.

I have read and understand the above policies.
